

Lapal Primary School Upper Key Stage 2 Learning Project	
Age Range: Year 5 and 6	Week Beginning: 18 th May 2020
Daily Maths Tasks (Aim to do one per day)	Daily English Tasks (Aim to do two per day)
<p>Year 5</p> <p>This week's focus: Fractions</p> <ul style="list-style-type: none"> Log on to White Rose. Watch the video together and encourage your child to have a go at answering the questions on Google Classrooms. You will find the questions in 'classwork' > White Rose Maths Tasks > Week 7. There is a worksheet for lessons 1 to 4. For those of you who have not signed up to google classrooms you unfortunately won't be able to access these materials. Please use those provided on BBC bitesize instead. How much can you remember about angles and coordinates? Use the quizzes to find out. Go on a Treasure Hunt - the chest has been hidden on the beach and you must use your knowledge of coordinates to discover it using the fewest number of guesses. Have a go at the real-life problems in this week's edition of your free weekly numeracy newspaper - The Daily Rigour. 	<p>Reading</p> <ul style="list-style-type: none"> What inferences can you make from this setting description? Do you have your evidence too? <p>SPaG</p> <ul style="list-style-type: none"> Test your knowledge of silent letters in spelling by playing this game. Remind yourself how to use the possessive apostrophe accurately. <p>Writing</p> <ul style="list-style-type: none"> Read 'Be Like a Bear' – can you write your own verse about what is inspiring you while you are staying at home?
<p>Year 6</p> <p>This week's focus: Fractions, decimals and percentages</p> <ul style="list-style-type: none"> Log on to White Rose. Watch the video together and encourage your child to have a go at answering the questions on Google Classrooms. You will find the questions in 'classwork' > White Rose Maths Tasks > Week 7. There is a worksheet for lessons 1 to 4. For those of you who have not signed up to google classrooms you unfortunately won't be able to access these materials. Please use those provided on BBC bitesize instead. Can you use your maths knowledge to solve The Mystery of the Missing Tennis Umpire? Practise your arithmetic by playing this game. Ask a parent or sibling to test your maths 	

<p>by asking you these One Minute Brainteasers.</p> <ul style="list-style-type: none"> Test your knowledge of angles in shapes by answering these questions. 	
Learning Project (Aim to do throughout the week)	
Year 5 and 6 (Linked to Knowledge Organisers on school website):	
<ul style="list-style-type: none"> Science – Have a look this week at ways that we can distinguish between organisms that have similar characteristics, focussing on mammals and birds. Create a fact page for mammals or birds that shows how we can distinguish between them, looking at their characteristics, what is similar, what is different. Think of some examples of these species and use them to answer these questions. Geography – Does human activity at coastlines cause more harm or good? Create a spider diagram on how humans impact coastlines – in both positive and negative ways. You could think about tourism, fishing, shipping, pollution and urbanisation. DT – What types of birds have you seen in your garden lately? Do some research on different types of bird houses online and evaluate what you like and dislike about them. Use this video to understand what it's like for the birds and to assess what is important for them. The BTO website might be helpful when identifying the types of birds you have seen. Music – Listen to a piece of music about a magical bird. Stravinsky's Firebird Suite is the finale of a ballet. Listen to how the music begins with solo instruments and then builds up until finally all of the orchestra are playing as the Firebird takes flight. Can you make a list of the instruments that you hear and the order that they start to play. Why do you think the composer used the instruments like this? 	
Mental Health & Well Being Tasks	
<ul style="list-style-type: none"> Think about our GREAT ways to wellbeing: this week focus on relating to others. Share some of these riddles with people in your house. Look at the 'Action for happiness' calendar and complete the daily activities. Answer the clues and complete the crossword puzzle. It's really important to be kind to yourself. Can you complete the 5 day kindness to yourself challenge? Travel the World – you may not be able to leave the house at the moment, but you can find out about people and traditions in other countries and visit them virtually. Learn special facts about each country that you visit.
