Word meaning (pages 18-19).</p> <p><b><u>Tuesday</u></b>  <b>Warm up:</b> Using <a href="#">suffixes</a>  <b>Main Activity:</b> What did the poem make you think about? (page 20).</p> <p><b><u>Wednesday</u></b>  <b>Warm up:</b> <a href="#">Synonyms and antonyms</a>  <b>Main Activity:</b> Even closer reading (page 20).</p> <p><b><u>Thursday</u></b>  <b>Warm up:</b> <a href="#">Apostrophes for possession</a>.  <b>Main Activity:</b> Personification (pages 22-23).</p> <p><b><u>Friday</u></b>  <b>Warm up:</b> <a href="#">Apostrophes for contractions</a>  <b>Main Activity:</b> <b>Innovate</b> (pages 24-25).</p> <p><b><u>Reading and Spelling</u></b>  <b>Important:</b> Read a book for 20 minutes every day.             Choose 5 Common Exception words to practice reading and writing each week. Home test every Friday. (<a href="#">Checklist</a>)</p>

**Learning Project**  
**(Aim to do throughout the week)**

**Year 4 (Linked to Knowledge Organisers on school website):**

- **Geography - Rainforests**

Question: What can be done to save our rainforests?

Links: [Link 1](#), [Link 2](#), [Link 3](#),

Task: Create and record an advert, song or poem which explains what people could do to save our rainforests.

Challenge: Can you include 5 things people can do to help?

- **Science - Living in environments (Experiment)**

Question: Can you dissect a flower and understand the parts of it?

Links: [Link 1](#), [Link 2](#), [Link 3](#),

Task: Watch links 1 and 3 to recap learning all about plants and their parts. Then, using the instructions on Link 2, you need to dissect your own plant and create a labelled presentation of your work (see the bottom of that link for an example).

Challenge: Once you have labelled the individual parts, can you write a sentence describing the functions and purpose of that part?

- **Computing – Stop Motion Animation (This week's assignment)**

Question: Can you create your own stop motion animation?

Links: [Link 1](#), [Miss Wilding's Example](#), [Miss Holmes' example](#)

Task: Download the App "Stop Motion Animation" to create your own animation using your toys, teddies, Lego etc. We would love you to upload these to Google Classrooms too!

**Mental Health & Well Being Tasks**

Think about our GREAT ways to wellbeing. This week's focus is on 'appreciate your world'. It is about taking time to notice and be curious about the world as well as enjoy and appreciate the little moments in life. Here are a few more ideas and activities that you could try.

- Read your book outside.
- Create a sketch of something within your room.
- Complete some mindfulness colouring.
- Listen to [Cosmic Kids – Peace Out](#)

It would be great to hear what you have learnt new via google classrooms. Don't forget to complete the daily activities on the '[Action for Happiness](#)' calendar.
