

| Lower Key Stage 2 Learning Project | |
|--|---|
| Age Range: Year 3 and 4 | Week Beginning: 23 rd March 2020 |
| Daily Maths Tasks (Aim to do one per day) | Daily English Tasks (Aim to do two per day) |
| <ul style="list-style-type: none"> ● Log into Times Table Rockstars and practice for half an hour. ● Times table focus of the week: 11 times table ● Regularly recap reading the time to the nearest 15 minutes e.g. quarter to 12, half past 1, quarter past 10 and 5 o'clock. ● Year 3- Measure 5 different items around your home. Can you compare the lengths? Can you find the total length of all the items? ● Year 4-Recap money, identify different coins and notes which are used. Role play visiting a shop and identify how to make different amounts through looking at the price of items. You could even use an Argos catalogue. | <ul style="list-style-type: none"> ● Visit www.booktrust.org.uk and pick a book to read or pick a book at home to read to someone in the house. ● Read a book for 20 minutes every day. You could also ask VIPERS style questions (page 80-86, in planners). ● Encourage your child to practise the Year 3/4 Common Exception Words (see list) ● Then ask your child to choose 5 common exception words. They can then write the meaning and an example of how to use the word in a sentence. ● Practise spellings on Spelling Frame. ● Practise Kinetic Letters (Jumper family – see page 93 in planner) |
| Learning Project (Aim to do throughout the week) | |
| <p><u>Year 3 (Linked to Knowledge Organisers on school website):</u></p> <ul style="list-style-type: none"> ● Create a fact file explaining what the pyramids of Giza are and what their purpose was. ● Create a labelled diagram to show and explain how water is transported within a plant. ● Easter Egg Nests Recipe - click here for recipe. ● Why Soap Works Experiment – click here for experiment. <p><u>Year 4 (Linked to Knowledge Organisers on school website):</u></p> <ul style="list-style-type: none"> ● Write a fact file about why Henry VIII married so many times. ● Create a labelled diagram to show and explain which materials are conductors or insulators. ● Easter Egg Nests Recipe - click here for recipe. ● Why Soap Works Experiment – click here for experiment. | |
| Mental Health & Well Being Tasks | |
| <ul style="list-style-type: none"> ● Think about our GREAT ways to wellbeing. This week focus on giving something back. You could write a letter or postcard to somebody who lives close to you that might be lonely and post it through their door or take it to a local care home. ● Look at the 'Action for happiness' calendar and complete the daily activities. ● How many star jumps can you do in one minute? Can you beat your personal best? ● Using this Go Noodle link, complete one of the 'Good Energy at Home' activities. | |
